Lansing's Eastside: Come Find Us!

On the Eastside, you can find just about anything you may want or need. Enjoy the many parks and playgrounds and the wide variety of long-term, locally-owned businesses that provide the music, entertainment, and nourishment that foster social bonds between neighbors and charm visitors.

Restaurants, eateries, and specialty food shops dot nearly every corner of the Eastside map, so one can be sure to find something to satisfy any appetite (or special diet). We have local pizzerias and exotic specialty stores, deli sandwiches and gourmet chocolatiers. We are also home to several of Lansing's best known restaurants, some of which have been serving our community for over half a century. When it comes to food, whether you're dining out or ordering in, you'll find a huge selection of restaurants to suit any taste or price range.
