By signing below, I give consent that my child will participate in Youth Service Corps activities. I agree to support Allen Neighborhood Center staff in their efforts to conduct this fun and disciplined program for youth. I understand that participation in this program requires an excellent attitude and consistently good behavior. I also understand and agree to have my child transported to service learning experiences or field trips in a car driven by a YSC leader or adult volunteer. I give Allen Neighborhood Center permission to use my child's visual image for appropriate purposes, such as grant reporting and promotion of youth programs, including but not limited to: still photographs, videos, electronic and print publication, and websites. I give this consent with no claim for payment.

Youth are expected to stay the duration of the program unless previous arrangements have been made. A Parent or Guardian must be on time to pick up their youth if they are not leaving sessions independently. **If accepted into the program, youth will receive a confirmation from the Youth Programs Coordinator.**

In light of our emphasis on job-skills training, we will expect youth to contact us in advance if they are unable to come to a session they have committed to by emailing youthprograms@allenneighborhoodcenter.org, or calling (517) 999-3918.
