## Background Check Consent Form

On April 28th, 2008 the ANC Board of Directors approved the following procedures or screening all those who are applying to volunteer with Allen Neighborhood Center.

1. **All** volunteer and staff (with the exception of Michigan State University students, who are screened by MSU Service Learning Center) will be screened through the Michigan State Police IChat System.
2. Confidential files are kept on all applicants and results.
3. When the I-Chat System reveals a criminal background, the Volunteer Program Coordinator, in consultation with the Executive Director, will make a determination whether this person's offer of volunteer service will be accepted.

I understand and accept the terms listed above for participation as a volunteer at the Allen Neighborhood Center.
