

LEGS

Lansing Eastside Giving Society

What is LEGS?

LEGS is Allen Neighborhood Center’s mission-centered process for raising sustainable, medium-term funding from individuals, corporations, and foundations that would like to invest in a stronger, healthier, and even more connected Eastside. LEGS will engage those who value neighborhood-driven, transformative change, and seek to provide predictable and steadfast support for its continuation.

For more information, please don’t hesitate to call Joan Nelson, Executive Director of Allen Neighborhood Center, at 517-999-3912.
