

Green Eagle Farm

First generation farmers since 1987. Green Eagle Farm specializes in being earth-friendly and living off the land.

Steve and Chela of Green Eagle Farm are 20 year veteran farmers and stewards of the land. They take great joy in growing a wide variety of crops and experimenting with new and unique products, all while being earth friendly in their practices and their care for the environment. You know they care about what they do when you see the lemon and mature fig tree carefully protected from the Michigan winters in one of their hoop houses. Not long after Steve and Chela met, the two knew they were destined to be together as life partners and land stewards.
