Allen Market Place Rate Sheet

The Allen Market Place is mid-Michigan's premier food hub, housing the Exchange (our online wholesale market for local foods), licensed incubator kitchens, cold & dry storage, rental space for events & meetings, and our year round farmers market. Our goal is to strengthen the relationship between our community and our farmers and food producers. We provide full transparency and traceability, sharing the stories of our farmers and processors. We offer farmers and food processors additional markets for their products, fair pricing, and a wide range of educational opportunities including ongoing technical assistance, marketing and business development. The Allen Market Place is an enterprise of the Allen Neighborhood Center, a non-profit organization working to strengthen mid-Michigan's local food system since 1999.

Below are the rates for the use of our rental spaces: Kitchen (Cooking & Wash-Pack), Cold Storage, Dry Storage, Great Room, and Classroom. For more details, please contact Joan: 517-999-3912

Kitchen Amenities

1. Cooking Kitchen rental includes use of workspace, food preparation and cooking equipment. Wash-Pack Kitchen rental includes use of workspace for washing & packaging of food and food products.
2. Limited cutlery and cookware is available. Professional cooks and chefs will likely wish to supply your own based on preferences. Please discuss all small-ware needs with Joan before your first session.
3. Cleaning supplies (paper towels, sanitizer, side towels, dish soap, and floor cleaning supplies) are provided by ANC. Users may supply their own personal use items (aprons, hair restraints, and gloves), or may utilize those provided by ANC.

Scheduling Kitchen Time: Kitchen renters shall request use of the Kitchen as early as possible. ANC will make its best efforts to create a schedule for use of the Kitchen that accommodates all renters' reasonable requests. The kitchen is carefully (and manually) scheduled in order to maximize resources and the time of all producers. Late arrivals can throw off the schedule. Please work to arrive at the time scheduled. If you are running late, let Joan know; if your production is taking longer than planned, please check in with Joan (517-999-3912; joann@allenneighborhoodcenter.org) to ensure that it will not impact the next producer.

Cancellation of Reserved Time: In order to ensure that maximum kitchen time is available to all clients, reservations may be cancelled at no charge up to two weeks in advance. Unless alternative arrangements have been made, the following fees will apply for cancellations. For sporadic (one time or occasional use) renters, if you wish to change (rather than cancel) your reservation, it will depend on availability of both space and staffing.

Within 24 hours of scheduled start	1 hour rent for each 2 hour block (rounded up to nearest 2 hours); UNLESS kitchen is rebooked for same or larger slot
Within 25-72 hours of scheduled start	1 hour rent for each 4 hour block (rounded up to the nearest 4 hours); UNLESS kitchen is rebooked for same or larger slot

Facility ANC will provide renters with a clean and sanitary kitchen and with a checklist to complete after use. All production and packaging of food products must take place within the Kitchen spaces. As this is a shared-kitchen and is frequently booked subsequently, it is the responsibility of each user to sanitize all surfaces and equipment before, during, and after use. All renters are responsible for leaving the kitchen as clean (or cleaner) as when they begin production. If any immediate cleaning is required in order for the next renter to begin, the cost this service will be charged at a rate of \$25/hour.

Start Up Fee A one-time startup fee of \$50 will be charged at the time of the initial reservation.

Monthly Fees Renters are billed on the first of each month, payable by check or cash to Allen Neighborhood Center. Rent is due by the 10th of each month, after which a late fee of \$1 per day will be assessed.
