

## Emergency Shelters

### **Advent House**

**485-4722**

Offers weekend daytime shelter and food for homeless population. No documentation needed. Employment assistance is available for the homeless. GED prep is offered for anyone 18 or older.

### **American Red Cross Mid-Michigan Chapter 484-7461**

The Emergency Food & Shelter Program assists homeless families and people living with disabilities with motel vouchers when public shelter is not available or appropriate. Some funding available for short-term homeless assistance for MSU students. Clients must have identification for themselves and other family members needing assistance.

### **AWARE (Jackson County)**

**783-2861**

Short-term shelter services are available. Advocates work within that time to help survivors of sexual or domestic abuse and intimate partner violence with resources to function emotionally, economically and safely within the community once they have exited. Transitional housing and free counseling services are available.

### **Crossroads/Gateway Community Services 877-833-3689**

**877-833-3689**

Crossroads is a voluntary transitional living program for young people ages 16 through 21 who are unable to live at home. The goal of the program is to help youth prepare for independent and self-sufficient living. Services offered during the program include shelter, independent living skills training, counseling, case management, employment search, tutoring, health care, and residential assistance. Services are provided for Ingham, Eaton and Clinton County.

### **EVE (End Violent Encounters)**

**372-5572**

EVE provides temporary safe housing, meals and personal care items for victims of domestic violence and their children. The shelter is a confidential and secure location.

### **Hannah House**

**482-5856**

The purpose of Hannah's House is to provide long-term shelter (no same day entrance), food, clothing assistance, classes, and mentoring to homeless pregnant women to help prepare moms to effectively raise a family. Admission to the program is determined after receipt of medical documentation of the pregnancy, a negative Drug of Abuse Panel, and a personal interview with the Director or House Manager. Email:
